## Trade-In Program

### Trade Your Old System and Receive Credit

VirTra is making it easier to achieve modern, high-fidelity training simulators. Agencies can trade in ANY manufacturers single- or multi-screen firearms training simulator—no matter how outdated—and receive a discount on VirTra's V-100®, V-180®, V-300® or V-ST PRO® training simulators.

#### Single Screen

Trade in ANY single-screen firearms training simulator and receive credit towards the purchase of a VirTra V-100, V-180, V-300 or V-ST PRO simulator.

#### Multi-Screen

Trade in ANY multi-screen firearms training simulator and receive credit towards the purchase of a VirTra V-180 or V-300 simulator.

#### Why VirTra

VirTra is changing how law enforcement and military train. Each simulator is equipped with powerful branching scenarios and V-VICTA—certified interactive coursework—to maximize each session. These qualities, curriculum and other benefits create a turn-key, high-tech training solution.

*NOTE: Limit one trade-in credit per purchase. Any shipping charges on the trade-in are the responsibility of the client.*
