## V-100® LE

Portable Simulator

The V-100® Portable is a one-screen comprehensive decision-making training solution that translates into real-world survival skills.

“ We can do this without tracking down locations or bringing in role players, so this allows us to increase our training up to 80 or even 100 hours more a year. ”

**Lt. Steve Goard, Livermore PD**

“ It doesn't require our officers to leave the building for training. It's an excellent investment for the price. ”

**Police Chief Joseph Bartorilla, Middletown Township Police**

**Founded in 1993, VirTra serves more than 800 agencies in over 40 countries worldwide.**
