Portable Simulator

The V-100<sup>®</sup> Portable is a one-screen comprehensive decision-making training solution that translates into real-world survival skills.

“ The V-300 shows how quickly judgment decisions have to be made, and if they are not made immediately and quickly, lives can be lost. You can't put a dollar value on that or being prepared enough for the surprises that could be around every corner. ”

**Jason Grunwald, Commander of the U.S. Marshal Service**

---

“ This system is what we're using to help our security forces members as well as other base agencies gain more situational awareness in combat situations, as well as law enforcement situations. ”

**Police Chief Joseph Bartorilla, Middletown Township Police**

---

**Founded in 1993, VirTra serves military, elite security forces, federal agencies, MOD, MOI, and contractors in 40 countries.**
