V-300®

The V-300® is a judgmental use of force, decision-making simulator with 300-degrees of immersion that translates into real-world survival skills.

“ The system that we’re using to help our security force members, as well as other base agencies, gain more situational awareness in combat situations. ”

SrA Jesse Phillips, Combat Arms Instructor, Vandenberg Air Force Base

“ What we’re really excited about with the incorporation of the VirTra system is the ability to import stress into the shooting experience. ”

James Williamson, COO, Haley Strategic
